## Shed Reopening

Now that the holiday break is over the Shed will reopen on Monday 21st January 2013 for the final fit-out before our Grand Opening on Saturday 2nd March (details to follow).

There is a lot to do - so we will need all the help we can get. The Shed will be open for this task on Mondays, Wednesdays, and Fridays 9am till 4pm. Bring your lunch. There's plenty of parking. All welcome for jobs big and small.

Members can assist with:

- Fitting out the kitchen
- Laying out equipment in the workshop
- Tidying the entranceways
- Plus lots more!

During the break tiler Rheinholdt has already laid tiles in entranceway, and will continue in the toilet area - then the plumber will complete the fitout of the toilet suites etc, so that the drain layer can lay pipes and connect us to Council services.

Working separately, the electrician will terminate the cables at the distribution box.
