

The Men's Shed (North Shore) Trust

Sheddies' Chatter

VOLUME 1 ISSUE 34 MARCH 2015

Engineering Extension Progress

Council requirements are delaying the project somewhat at this point, however we expect for all the paperwork to be completed soon and for the project to get underway asap.

2015 AGM

The date for our 2015 AGM has been set for Sunday 3rd May. Further information will be distributed as it comes to hand, in the meantime please pencil in this date in your diary.

Shed BBQS

Our monthly BBQ's at the Men's Shed North Shore continue with the next one on Wednesday 8th April at noon.

Please bring your choice of protein to cook, and some food (eg salad) to share would be welcome.

This event offers a great chance to meet Shed members and to have a look around our exceptional facility, and the many projects we are working on.

A letter from our ex-secretary John Murray:

"Give my regards to the sheddies who remember me. At our shed in the South of England (Waterlooville Men's Shed) we have just finished our first major community project which was to make a trek cart for the local scouts who lost theirs when vandals burnt their hut down. The wheels and axle came from a local fort and the springs off an old MGB. A local timber merchant donated a load of ash for the body and redwood for the tow handle. We had great fun making it."

Community Projects

A variety of community projects are always underway at the Shed.

Below - Laurie refurbishing a commemorative WW1 plaque for Birkdale Primary:

Below - Winston and Barrie making 172 crosses for a WW1 commemoration to be held by the Kaipatiki Community Facilities Trust:

Personal Projects

Members are continually bringing in their own projects. Below - Maris and Gwynn constructing a finisher for Maris' knife-making:

Below - Anthony sanding a table:

Below - Don sharpening a chisel:

Anzac Weekend Notice

The Shed will be closed on Saturday 25th April on Anzac Day. However we will be open on Monday the 27th.

Shed Wash

Below - MSNS members at work washing the outside of the shed with professional equipment kindly supplied by Ian Devonshire:

Below - Charles restoring a chair:

New Shed Videos

Martin has uploaded several new videos to his dedicated Shed youtube channel featuring activities at the Shed over recent months.
