Shed Reopens for 2014

On Monday 20th January the Men's Shed North Shore reopened after the festive season break. Members have been busy working on community projects as well as small jobs of their own. Below - Winston and Geoff work on Winston's garden mirror.

Len's Boat

Len has brought his motor launch in for some repairs, and he is getting plenty of advice as well as some assistance from members.

The theme this year is "Men's Sheds in the Community".

Members please note - we have a variety of on-going community projects and anyone is welcome to come in and give a hand - special skills may not be necessary. You don't have to have a project of your own, so come along and join in.

February Event

The event for February will be a Ports of Auckland harbour cruise & a visit to the Maritime Museum on Tuesday 18th.

Assemble at the 360 Discovery Office in the downtown Ferry Building by 10.30. The hour-long cruise departs at 11am.

Lunch is available in the Maritime Museum cafe, after which members may tour the Museum. The cruise and visit are free - on presentation of your Gold & library cards.
