WELCOME TO OUR SHEDS

Engineering Extension

Groundwork finally commenced a few week ago. The excavation has been dug, the retaining walls constructed, and the back-fill is underway. Hopefully the concrete slab will be poured before the Christmas break.

Many hands will be needed for a wide variety of tasks when the fit-out begins in the New Year. This will be a great chance for members to pitch in and become part of the Shed.

Please call into the Shed to register as a volunteer.

Christmas Break

This year the seasonal break will be from Monday December 21 (after the Xmas BBQ) to Monday 11 January (reopen).

Saturday December 19 has been designated as Shed clean-up day 9am-4pm - members please attend and help with this task: many hands make light work.

Secretary Larry will email members with details of the Xmas BBQ and the clean-up day at the Shed.

Monthly Shed BBQS

We enjoyed the spring weather and a good turnout once again for our November BBQ with members and guests joining in the fun.

The next BBQ will be held on Wednesday 9th December at noon. Guests are also welcome. Please bring your choice of protein to cook.
