Sheddies' Chatter

TWO THOUSAND SEVEN HUNDRED HOURS

The year again has flown by and we are at the Festive season. Progress at the shed during November has been exceptional and we have decided that we will close the Shed on Friday 30th November and reopen on Monday 21st January. Giving our workers a well earned holiday.

The Board of Trustees sincerely thank those members who collectively have spent in excess of 2,700 hours completing the fit-out. On average twelve members turned up every day and their joint combined skills has given us a Shed that we can all be proud of. During the Christmas break our Tyler will lay the tiles in the Toilets and Entrance way

and our flooring contractor will lay the vinyl in the Kitchen and Electronics workshop. Shore Ceilings & Partitions Ltd will install the suspended ceiling in the utilities area commencing this week and then three coats of paint on the walls, wire up electrical outlets and this will bring the area to a finish so our target of the end of November for this will be achieved, thanks again guys.

Amazing Place Glenfield

On Saturday 3rd November we were involved in the project "Amazing Place Glenfield" which was an event structure that encouraged residents to get out and explore their community by interacting with stations organised by local organisations. Our Display stand was situated outside 15 Chartwell Ave. Although the weather was not the best we had many visitors to our display and handed out our new brochure to all, we should gain more members from this activity.

Merry Christmas to all

The Shed
34 Elliott Ave (off James Street)
Glenfield
Open Mondays and Wednesdays
10:00am — 3:00pm
